Price: €2.25

By using your own favourite photograph or combination of photographs on your wedding stationary you get something with a uniquely personal touch. Or why not pick out your favourite wedding photograph and use it for your thank you cards?

- Available as a 6x4 inch (150x100 mm) or 5.3 inch (135 mm) square folding card, or as a 6x4 inch or 5.3 inch square postcard
- Printed on premium card stock using the latest digital printing technology for outstanding results
- Your choice of card and image style for a truly unique invitation
- Fully customisable card wording

Simply choose the style and wording you require, enter the quantity you need (**minimum order 50 cards**) and click "Add to Cart". By varying styles and wording you can create matching Day Invitations, Evening Invitations and Thank You Cards. View a detailed description of our [ordering process](#) for more information.

Your Photographs

Once you've submitted your order we'll get in touch to discuss your choice of photographs , layout and the best way to get your images to us.

NB. We can only produce invitations using photographs to which you own the copyright (i.e. you took the photograph) or where you have express permission from the photographer granting you the rights to reproduce their work on your stationary.

Font Styles

You can choose from one of five [font styles](#) for your card wording below, or just let us have the name of your preferred font style and we'll do our best to match it..

Envelopes

All of our invitations include envelopes. If you'd prefer to use your own envelopes simply select "no" in the Envelope drop down below and save 15c per card.

Card Wording

Enter your card wording in the relevant box -- **please type BLANK if you'd like a blank card**. Don't worry too much about getting every little detail right... we'll have plenty of time to make changes before finalising your order.

Print Your Own

If you'd like to use our unique [Print Your Own](#) service just choose "Yes" in the relevant drop down box below and enter "1" in the quantity box.
